

Dear Fellow Artist,

As the art educator for the Lebanon School District, it is my continued goal to foster a love of art and encourage budding talent in the children of our community. In so many districts, art programs are being cut and underfunded. To promote the exceptional art program in Lebanon, and offset the costs incurred with the program, my students and I are excited to host the Third Annual Lebanon Schools Art Auction.

The students of the district are excited about the event and have been busy creating works to be auctioned. We have a variety of work to display including: drawings, paintings, photography, and jewelry. We would like to showcase works by local artists at the auction as well. Any works you can donate to the auction would be greatly appreciated. We need your help and support.

All proceeds from the auction will go to the Lebanon Schools Art Department to expand the possibilities for our young artists through new materials, equipment, technology and educational trips. Please join us on **Wednesday, March 7, 2012 at 6:30 pm at *The Hett Center for the Arts*** on the McKendree University Campus. Help inspire a future generation of artists. We hope to see you there!

If you plan to donate, I'd love to have your pieces by March 1, 2012 so I can display your artwork and promote the event. Help us make this year a success!

Thank you for your continued help and support!
