President Paul Baer called the meeting to order at 7:00p.m., then turned the meeting over to Herb Voss and the 1187 Creative staff.

Mr. Voss began by outlining the various procedural components to the up-coming marketing campaign. He urged all present to "aim high" in formulating ideas and determining the level of outreach this campaign would attempt to foster. Mr. Voss indicated the outcome of the evening's discussion would be a word document containing the results of the collective input of the group. This document will be shared with all members and administrative personnel present. Once the document has been generated and distributed, the group will meet again to discuss and plan the next stage of the campaign.

Mr. Voss led discussion so the group could formulate and articulate the goals and objectives it would like to see the campaign accomplish.

It was decided the next meeting would occur on January 26, 2009, in the Superintendent's office at 7:00p.m.

Marvin Meddows made the motion to adjourn.

Mike Harter seconded.

Motion carried.

The meeting ended at 8:20p.m.
